### Yes! Your drinking wine can be a gift that keeps on giving to us!

Giving is not new to ONEHOPE Wine. Each bottle of wine they produce is partnered with a cause so that with every sale of that varietal, up to half the bottle's value goes to that cause. Since 2007 the company has given away over \$5 million in donations benefitting numerous causes. ONEHOPE has

- Provided more than 3 million meals to children in need.
- Provided 3,750 hours of ABA therapy to children with autism.
- Provided 81,000 dogs and cats with forever homes.
- Built a school in Guatemala.
- Funded over 19,000 days of clinical trials for breast cancer research.
- Much, much, more!

During these difficult times of social distancing, it's hard for The Arc Gloucester to continue with its mission of empowering individuals with intellectual and developmental disabilities and their families to achieve their highest potential through advocacy, education and quality services. Our reliance on donations is even greater than ever. We hope you'll take this opportunity to enjoy a little ONEHOPE wine to ensure that these individuals and their families continue to have equal opportunities to live, work and socialize in their chosen communities.

**Thank you and enjoy!**
